Why advertise in the Business Review?

Our newsletter is mailed directly to our membership the first week of each month. Our membership and mailing list has over 120 business professionals, just like you.

The Business Review is also distributed to over 15 retail and public locations throughout Perry Hall and White Marsh. We are adding new locations frequently.

Our advertisement shows your commitment to the area and the people who live here. It is inexpensive, but flexible, as you can change your ad each month.

Take an opportunity to show off your business and your support of the Association. Remind potential customers to think of you first and stand out from the crowd.
